

American Lincoln Part

American Lincoln Part - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery that are recognized within the industry as durable and strong equipment which meets all the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These kinds of scrubbers are available in the market under the trade mark name "Encore". American Lincoln could supply machinery, parts and warranty service for these scrubbers that carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of many facility managers where efficiency and results make a difference. Lately, this particular floor scrubber model has been utilized by the architects in various construction jobs like for instance Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this sweeper scrubber on location due to the model's utmost performance level and high standard of quality for polishing concrete.
