

Trek Part

Trek Part - TREK Cleaning Machines is a manufacturer of cleaning equipment. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience effectively marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to offering new design concepts and top quality so as to meet the diverse requirements of their clients.

TREK Cleaning Machines always provides fresh design ideas as shown in their product development. They like offering products which energize both their partners and their dealers and offer production gains to their clients.

The team at TREK enjoys dealing with new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' needs and skills combined with their comprehension of cleaning applications, together with owners' strong desire to significantly reduce cost through productivity gains.

When needed, the workers within TREK and its numerous dealer members in both parts and in technical support would be obtainable. Among their core values is their high service devotion in their customer service. Keeping their customers' cleaning equipment functioning and ready everyday is top priority. The company's top of the line technology delivers reliable machine that ultimately reduces your cleaning cost. The price, the service and the product all work together to make them the leader in the trade.
